Location

Horton is a small village, close to the larger village of Preston-on-the-Weald-Moors, with its primary school and church, and just a few miles distant from the market town of Wellington to the west, Telford to the east and Newport to the north-east. The village itself has a popular gastro-pub and is ideally located for rural walks. The property, whilst rurally located, is ideally situated, just a few miles from the A442 and links to the motorways.

Brief Description

This well presented two bedroomed mid terraced cottage benefits from private driveway parking for two vehicles, located at the end of the terrace.

Entered from the front, the lounge is a bright space with a feature fireplace, currently housing an electric fire. This room flows into the kitchen diner, which has a range of fitted base and wall mounted cupboards and drawers with contrasting worktops over and complementary tiles. There is space for a free standing fridge freezer and under counter space and plumbing provision for a washing machine and dishwasher. There is also space for an electric range style cooker in the chimney alcove. Off the kitchen/diner is a large conservatory, providing plenty of space to enjoy views of the garden all year round. Stairs from the lounge rise to the first floor landing.

The principal bedroom stretches the full width of the property with two rear aspect windows having views over the garden. To the front is a shower room with corner shower, close coupled WC and wash hand basin set into a vanity unit. Adjacent to the shower room is the second bedroom, which houses the wall mounted gas combination boiler. A space saving staircase rises to the loft, which benefits from two velux style windows and which has previously been used as an office space (no Building Regs).

Externally, there is a small courtyard style garden to the front, and a gate which provides access to both the front door and the passageway leading to the rear garden. The rear garden itself is fully enclosed with a flagged patio area adjacent to the property, timber shed and raised lawn with established borders.
