## Brief Description

This well presented semi-detached Victorian property has many retained period features throughout and has been a much loved family home for several decades. The entrance door is finished with attractive stained glass panels and opens into the through hallway, finished with wooden flooring. To the right is the front aspect lounge, having a feature brick fireplace with open hearth and further decorative stained glass panels to the sash windows. The full width dining room has dual aspect windows to the rear and side, with a further feature fireplace, currently housing an electric stove effect fire. The room is finished with parquet flooring and provides access to the useful understairs pantry cupboard (where the modern boiler is housed). To the rear of the property is the kitchen which is fitted with a comprehensive range of base and wall units, complementary working surfaces and contrasting tiling. There is space for an upright fridge/freezer, freestanding oven and plumbing provision for a washing machine. A courtesy door opens to the patio to the side of the property, with a further side aspect window ensuring the room remains bright and light.

A staircase ascends from the hallway to the first

floor landing which has a side aspect window. The principal bedroom overlooks the front and has a useful built-in walk-in wardrobe / store room. There are two further double bedrooms, both with rear aspect windows, all served by the family bathroom, fitted with a white suite including a bath with thermostatic shower over, wash basin set into a vanity unit and close coupled WC.

Externally, the property is entered via wrought iron gates which open to the tarmacadamed driveway. A further set of gates open to additional parking space alongside the property, which leads to the patio seating area and to the extensive gardens. The front garden itself is of the 'cottage garden' style, with a meandering brick path leading to the front door and established beds of shrubs and perennials. The mature rear garden is mainly laid to lawn, having a selection of neatly maintained borders, an ornamental fish pond, sheds and fruit trees. There is also a substantial, brick built workshop off the end of the kitchen, having double doors, wide window, power and light, which could be used for a variety of purposes.
